

SPONSOR'S BENEFITS

- ✓ Strengthen existing clients, partners and suppliers that are small businesses.
- ✓ Improve int'l operations by helping existing US small business suppliers to become a supplier in Brazil also.
- ✓ Receive special recognition and exposure with relevance in all media participation in US and Brazil.
- ✓ Gain international and domestic exposure as a sponsor - small businesses supporter with logo and profile at www.FloridaSupplyChain.com

Sponsor's pledges will be applied towards qualifying small businesses to participate on the program with printed ad in magazine and full on-ground support in Brazil for two months and online exposure for a year.

When sponsors make a pledge they will be viewed as a small businesses supporter who is providing the opportunity for Small Medium Enterprises (SMEs) to expand and grow their business internationally by accessing potential clients, partners or suppliers in Brazil.

Sponsors will also be able to have a full profile in multiple languages listed online for a year and company's logo displayed at the homepage of Florida Supply Chain online directory (www.FloridaSupplyChain.com) for two months. Sponsors may pledge from \$2,000.00 to any amount desired.

PLEDGE INFORMATION FOR SPONSOR NOMINATION OPTION:

By allowing sponsors to indicate, if they wish, a small business of their choice to apply pledged funds, we intend to promote and strengthen existing US business relationships and help these existing US relationships to be carried over and become available overseas as well.

New international markets, like Brazil or Mercosur (Southern Common Market consisting of Argentina, Brazil, Paraguay, Uruguay and Venezuela), become easier when known and existing suppliers are available to help maintain quality while reducing risks and cost involved in the supply chain.

PLEDGE AMOUNT:	NOMINATION OPTION (CHOOSE AMONG LISTED OPTIONS):
\$ 2,000.00	Option A - 1 x 7.5x2.5cm ad or 1 x Portuguese webpages + banner program + Small Business Supporter Sponsor logo + profile at Florida Supply Chain directory
